

Annie's Pumpkin Cookie Recipe
400° 8-10 min.

2 C. shortening
3 C. granulated sugar
2 eggs
1 20 oz. can crushed pineapple in heavy syrup (do not drain)
1 t. vanilla
7 C. flour
2 t. baking soda
1 t. salt
½ t. nutmeg

In large mixing bowl, combine shortening, sugar, eggs, and vanilla. Beat by hand until well blended. Stir in pineapple with juice. In separate bowl blend flour, soda, salt, and nutmeg. Add to first mixture and stir until well blended

Drop by teaspoonful on lightly greased cookie sheet. Bake at 400° for 8-10 minutes or until no imprint when lightly touched.

This makes quite a lot, since trolls tend to bake big batches. You can cut the recipe in half if you like. And even though Annie forgot to add pumpkin to her Pumpkin Cookie Recipe, these cookies are still very good, if you like pineapple.
